NEW BUSINESS

1. The Board discussed their position on specific issues for discussion at the upcoming 2007 NCEES Board Presidents Assembly. Specifically, what should NCEES' position be on recognizing foreign degrees and should NCEES enter into unilateral agreements with foreign licensing bodies on behalf of the Member Boards?

Moved by Mr. Young, seconded by Mr. Milligan to state that the Idaho Board recognizes foreign education as equivalent to an EAC/ABET program when it is from an institution in the Washington Accord or if an approved foreign credentials evaluation determines that program to be substantially equivalent to an EAC/ABET program. The Board will request that NCEES pursue getting a report from ABET regarding ongoing evaluations of signatory accreditation systems. Motion passed unanimously.

Moved by Mr. Young, seconded by Mr. Milligan to state that the Idaho Board will not support NCEES entering into unilateral agreements with foreign licensing bodies on behalf of the Member Boards. NCEES should be knowledgeable of licensing models in other countries and should make recommendations to the state Boards as to the equivalency of those other licensing systems. Motion passed unanimously.

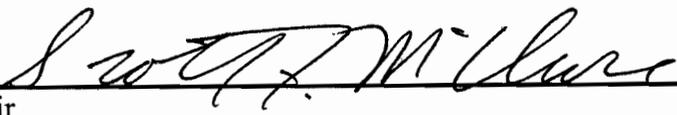

2. ISPE invited the Board to host a ½ day presentation at the ISPE Annual Meeting on Friday, March 23, 2007 in Boise.
