

BOARD OF PROFESSIONAL ENGINEERS
AND PROFESSIONAL LAND SURVEYORS

Minutes of Meeting

The Board of Professional Engineers and Professional Land Surveyors held a regular meeting on August 5 - 6, 2010 at the Salmon Rapids Lodge in Riggins, Idaho to conduct Board business. The meeting convened at 8:00 a.m. on Thursday, August 5, 2010 with the following Board members present: Gary L. Young, James H. Milligan, John Howe and George Wagner. Also present was David L. Curtis, Executive Director and Jim Szatkowski, Deputy Director.

i. AGENDA REVIEW - Are there any new agenda items?

Mr. Curtis notified the Board of upcoming ABET visitations to the University of Idaho and Boise State University this fall.

Moved by Mr. Milligan, seconded by Mr. Howe to designate Mr. Wagner as the Board Observer at Boise State University. Staff will notify the Team Chair that Mr. Wagner will be attending and that he was previously on the BSU Advisory Committee. Motion passed unanimously.

No observer will be sent to the University of Idaho.

Mr. Kane provided letters to Mr. Busby relating to docket number FY10.20. This item will be added to the agenda under Disciplinary Matters.

II. REVIEW AND APPROVAL OF CONSENT AGENDA

1. The following items have been continued at previous meetings and staff is unaware of any activity relating to these matters:
 - a. FY08.23a: Munio, Albert, unlicensed practice
 - FY08.23b: Bessaw, John W., P.E., violations of statutes and Rules of Professional Responsibility
 - FY08.23c: Washington Group International, violations of statutes and Rules of Professional Responsibility. An ORDER extending the time until 6 months after the end of litigation has been signed.
- b. FY09.25 Tikker, Robert, rules of professional responsibility. This matter is pending completion of civil litigation. This is not a formal complaint so no ORDER has been issued to extend the time.
- c. FY10.09 Lund, Michael, Rules of Professional Responsibility. A preliminary investigation has been authorized. On advice of Counsel, the investigation has been halted pending the outcome of

an investigation by the Office of the Attorney General. An ORDER extending the time until 6 months after the end of litigation has been signed.

Moved by Mr. Milligan, seconded by Mr. Howe to note the items on the Consent Agenda with no further action. Motion passed unanimously.

III. UNFINISHED BUSINESS

1. John Howe and Gary Young worked on the proposed changes to Idaho Code relating to surveying.

Moved by Mr. Milligan, seconded by Mr. Howe to amend page 14, line 5 to be “point” rather than “corner”. Staff directed to make change. Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Howe to amend page 11 in 54-1234 line 24 and other locations for consistency and communicate changes to Mr. Haener. Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Howe to leave “impracticable” rather than substituting “unsafe” because the need to set a witness corner goes beyond issues relating to safety. Communicate decision to Mr. Haener. Motion passed unanimously.

2. Comments were received on the Negotiated/Proposed Rules for 2011. The public comment period is open until August 25, 2010 so the Board can make a final decision on the Pending Rule publication at the August 30-September 1 meeting.

Moved by Mr. Milligan, seconded by Mr. Wagner to approve the amendments as shown on attachment for disclosure of details to law enforcement and other licensing entities. Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Howe to postpone decision and obtain input at late August meeting from Counsel regarding obligation to communicate discovery of error if you are working for an attorney. Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Wagner to leave 20 days to respond to Board in order to be considered “timely”. Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Wagner to direct staff to promulgate rules next year to eliminate statement in 011.01 regarding statute of limitation as well as shortening to 20 days the response time required in rule 005.04. Motion passed unanimously.

IV. NEW BUSINESS

1. The Board reviewed the proposed Action Items for the NCEES Annual Meeting August 18-21, 2010. The Board discussed issues that will be addressed at the upcoming NCEES Annual Business Meeting in Denver, Colorado.
2. The ACEC Annual Meeting will be held October 15-16, 2010 at the Shore Lodge in McCall. The Board has been asked to designate an attendee.

Moved by Mr. Milligan, seconded by Mr. Howe to authorize Mr. Wagner and Mr. Curtis to attend ACEC Annual Meeting in McCall, October 14-16, 2010. Motion passed unanimously.

3. Mr. Williams submitted a question to the Attorney General relating to “offering” architectural services.

Moved by Mr. Milligan, seconded by Mr. Howe to note this item. Motion passed unanimously.

4. Scott Stanfield submitted a question about the use of the PE stamp.

Moved by Mr. Howe, seconded by Mr. Milligan to send a letter to Mr. Stanfield stating that the Board believes he interpreted the statute correctly in this case. Motion passed unanimously.

5. Doug Schwarz submitted a question regarding plat surveyor signatures.

Moved by Mr. Milligan to send a letter to Mr. Schwarz stating that the phrase “upon failure of such land surveyor to set such monuments” provides the opportunity for the governing body to direct the county surveyor or a contracted surveyor to set the monuments. For example, if ABC Surveying were to go to the governing body and be contracted to place the monuments, then Surveyor B or Surveyor C could do that work. If the governing body chose to contract with the County Surveyor or an independent surveyor they could do so. If any surveyor other than Surveyor A places the interior monuments, IC 55-1904(3) requires the filing of a Record of Survey. The Board is contemplating amendments in the future to address the ambiguity so that another surveyor working for ABC Surveying could be allowed to place interior pins without having to go through the governing body. Motion failed for lack of a second.

Moved by Mr. Howe, seconded by Mr. Wagner to send a letter to Mr. Schwarz stating that the Board reviewed this matter and discussed it at length, but the Board does not address hypothetical questions. If this is an actual situation, please so state and include any other pertinent facts. Motion failed with Mr. Milligan and Mr. Young voting against the motion.

Moved by Mr. Wagner, seconded by Mr. Howe to send a letter to Mr. Schwarz stating that Idaho Code 50-1332 provides for a process “upon failure of such land surveyor to set such monuments. . . 1333 Idaho Code.” Please note that Idaho Code 55-1904(3) requires the filing of a Record of Survey. The time for compliance is addressed in IC 55-1333(1). Motion passed unanimously.

Moved by Mr. Milligan, seconded by Mr. Howe to direct staff to draft an amendment to 50-1332 to suggest changes to correct perceived problems. Staff directed to present amendment at next Board meeting. Motion passed unanimously.

6. Jim Baker asked the Board to express an opinion regarding a Request for Proposal that asked for a cost estimate. Counsel provided an analysis and opinion at the June meeting but was asked to study the matter further. Counsel volunteered to contact the public agency requesting the estimate but staff directed Counsel to wait until the Board had the opportunity to review the matter.

Moved by Mr. Milligan, seconded by Mr. Howe to postpone consideration of this matter pending receipt of revised opinion from counsel based on the facts as now known. Motion passed unanimously.

7. NCEES requested an investigation into examination irregularities.

Moved by Mr. Wagner, seconded by Mr. Milligan to notify candidates that the Board concluded that the irregularity brings the validity of the results of the examination into doubt. In lieu of further investigation, the Board will allow both candidates to take the examination again in October 2010 at the Board’s expense. The results of the April examinations will not be considered as part of their record. Motion passed unanimously.

8. During the Negotiated Rule Making meeting several comments were received regarding the Board decision to close the Administrative Hearings in the future. While that topic was not part of the rule making, it was important. Staff asked Counsel to prepare an evaluation of the statutes and rules regarding the matter and express an opinion.

Moved by Mr. Howe, seconded by Mr. Milligan to send a letter to Mr. Kane, thank him for a thorough analysis and ask him to prepare a brief synopsis of analysis for release to public and inclusion in the NEWS BULLETIN. The Board will in the future conduct hearings in executive session. Motion passed unanimously.
